- ➤ Adapter & Attenuator
- ➤ CATV
- ➤ Single-mode assemblies data communications and wide area network (WAN) applications
- ➤ Multi-mode assemblies are designed for use in data communications and local area network (LAN)
- ➤ All types of FMS. SDH. DWDM, etc
- ➤ For Variable Attenuation Control

  Fast Connector
- ➤ Test Equipment, Optic FiberSensor
- ➤ CATV,LAN. Access Network
